

INCARNATION CATHOLIC SCHOOL REPORT: March 5, 2018

Leah Coghlan, Assistant Principal

Lenten Prayer Service:

Jeremy Stubbs and **Kathy Lammlein** planned a beautiful Lenten Prayer Service. Students in grades kindergarten through eight attended the service and reflected on becoming better people during the Lenten Season. If you come into the school's main entrance, you will find a large cross, draped with purple fabric. The nine nails, representing each grade level, hold papers with each child's Lenten promise to Christ.

Incarnation Olympics:

Students, Faculty, and Staff celebrated the Winter Olympics with in-class lessons and educational activities. On Friday, February 9th, students observed the opening ceremony by wearing shirts in the colors of the Olympic Rings. Over the next two weeks, students learned about the culture, traditions, and artistry found in South Korea and many of the participating countries. STEM lessons were taught looking at the physics and engineering necessary to many sports. Medals were counted and graphed, and fun facts were shared on Incarnation Live!

Closing ceremonies included a basketball game between the 8th grade CYO boys and the Minor Prophets - the Seminarians from Mount St. Mary. The game was a close one, but the 8th grade Incarnation team won by one point at the buzzer. Thank you to everyone who was involved in making this game so much fun: **Mr. Ed Montgomery**, **Mr. Danny Dunn**, and **Mr. Tom Razauskas** coached the CYO boys' team, **Mrs. Liz Anderson** coached and coordinated the 8th grade cheerleaders. Thank you to **Father Brian** and **Mrs. Kristi Erickson** for refereeing the game. Thank you to **Mrs. Gretchen Parker** and **Mrs. Corrie Weckesser** for running the score board and MC-ing the event. Seminarian **Jeremy Stubbs** not only played, but he also gave an inspirational vocations talk during the game's halftime. Thank you for sharing your personal path to the Seminary!

Bishop Binzer's School Visit:

Bishop Joseph Binzer visited Incarnation School on Monday, February 26. He was interviewed by eighth grade student, **Joe Lair**, for a special broadcast of Incarnation Live. Following the interview, Bishop Binzer enjoyed lunch with the faculty and staff and then toured the school. He visited many classrooms from Early Fives and Kindergarten to Fifth Grade Math to Seventh Grade Science. Bishop Binzer spent a generous amount of time with the students, answering questions, sharing stories, and even teaching decimals and percentages! Our students were blessed and enriched from the visit – thank you, Bishop Binzer, for sharing your gifts and talents!
