Dear Parishioners:

Our Whole Selves

As a seminary intern with Fr. Stretch twenty-three years ago at St. Henry Parish, I appreciated having a parish guide book and directory. It was a handy reference to visit the sick and to help know the different ministries and groups in parish life. Now, blessed to follow Fr. Stretch here at Incarnation, I have been using this resource to begin my transition to pastor.

Like most areas of life—our jobs, school, a marriage—what we put in to something is what we end up getting out of it. Thanks to parishioners who put their whole selves into being members of Christ's Body at Incarnation! Putting our whole selves into parish life means, minimally, attending faithfully on the Lord's Day, to thank and praise the Lord for so much. Of course, attending Mass is one of the most selfless things we can do. Since one of our primary reasons for attending is not simply to fulfill an obligation, but rather to pray for others: those present, those absent, so many far and near, and for the world.

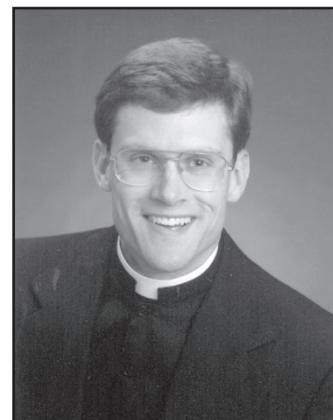

Putting our whole selves into being a part of the Church also means we ought also strive to share our gifts and talents in some way. This booklet can help! Look over the listing of ministries and groups in parish life and find a place you can contribute...and be blessed. Also, keep alert to opportunities offered in the bulletin for lifelong faith formation, things like book studies, a video series, a talk or special opportunities for prayer.

Just as we expect children to grow in faith in PREP or Catholic day-school, as adults we simply must do the same, through lifelong faith formation. For, faith just can't stay stationary. If our faith is not growing, it is dying. Be assured the Father of Lies wants our faith to die. If we allow it to die, the Devil won't want us to notice and tries to deceive us that all is well. Therefore, unnoticed gradual and imperceptible faith death is his goal. We can make sure the opposite is happening if we can point to ways we are trying to grow closer to Jesus in faith.

Please patronize our advertisers. Their good stewardship of treasure makes this resource possible at no cost to our parish. Thanks to all who strive to put their whole selves in knowing, loving and serving the Lord Jesus at Incarnation!

Sincerely and with Love in Christ,

Fr. Pat

Parish Mission Statement

We are the Catholic, Christian community of Incarnation Parish in Centerville, Ohio. Although we are diverse in so many ways, we are one because of our faith in Jesus Christ as our Lord and Savior. All that we are and do comes from this faith.

We celebrate our faith in worship. We celebrate the Sacraments of Initiation as we begin, or advance, our life in Christ.

We celebrate the Eucharist as a sign of our unity in Christ, and to give thanks for His many blessings.

We recognize our call from God to love and serve Him through loving and serving each other.

We are committed to assisting each other in responding to God's call by loving and caring for those within our community and beyond who need us.

We are committed as a community of believers to nourish all in our community of faith by providing educational and spiritual enrichment, and recreational opportunities.

We, as a Catholic Christian community, are dedicated to bring Christ to all who seek Him, and to live the Gospel so that we can be a sign of God's love in this world.

The Church of The Incarnation was established in 1945 with a gift of \$6,000 from St. Mary's Parish in Dayton. The first Mass in this mission-type church was celebrated Christmas Day, 1950, by Fr. Charles Hollenkamp. There were about 64 charter member families. In October 1952, Fr. Raymond C. Kallaher took up residence until 1979. The school opened in September of 1957 with 171 students, ten classrooms, and six teachers.

By 1965 the parish had outgrown the small church building. The present church, which seats 1100, was constructed for \$850,000. *The use of poured concrete and rough glass is a unique architecture for this area. Symbolically, the exposed aggregate of the exterior walls becomes smaller and more refined as it moves indoors, most fine at the altar where the sacrifice takes place at each Mass.* Blessing of the new church was in March 1970. In August 1979 Fr. Joseph C. Heskamp, who had served as Associate Pastor, was appointed Pastor. During this time, the parish had grown to 1700 families. In 1989, Fr. Thomas Kuhn came to Incarnation as Pastor. At that time, the parish had 2400 families.

In 1992 Incarnation embarked on a capital fundraising campaign called The Family Fund, which enabled a major building campaign to expand the parish facilities and meet the needs of phenomenal growth. The result of the parishioners' generosity was construction of the Parish Activity Center, a substantial school addition, and refurbishment of the existing school infrastructure.

The Parish Activity Center was completed in 1994, the school addition in 1995. The PAC was designed to be a gathering space for the growing Incarnation Parish Family, symbolized in its lobby by a metal relief sculpture of the Holy Family. The generosity, commitment to, and complexity of, the capital funding is commemorated by the St. Matthew statue in the activity center's St. Joseph's Chapel where daily Masses are celebrated.

The parish celebrated its 50th anniversary in the year 2000. In July of 2001 Fr. Lawrence (Stretch) Mierenfeld came to Incarnation as Pastor. The number of parish families was 3,550. Through the first decade of the new millennium, growth of the parish slowed and stabilized to 4,300-4,400 families.

The Parish Activity Center

Incarnation's Parish Activity Center, as envisioned, has become a busy gathering place for large and small parish groups. One room may host senior programs, while in another adults are engaged in Bible study and in still another energetic children are in a scout meeting. There are physical education classes, athletic games, and weekly celebration of Mass in the gym. Parts of the building are regularly used by the parish school for accessory functions and to allow program expansion.

Because the Parish Activity Center is heavily used for parish life and school activities, and due to Archdiocese policies, the facility is not made available to rent, or to be used, by individual parishioners or groups not directly affiliated with the Archdiocese of Cincinnati.

Incarnation School is a winner of the National School of Excellence and the National Blue Ribbon School of Excellence. Our parish school serves children in Pre-Kindergarten through grade eight. The solid faith formation and superior academics began in 1957, when the Sisters of Precious Blood opened Incarnation School with eight classrooms and 200 children. Today the parish school has almost 900 children, a collegiate-sized physical activities center, 52 classrooms, three up-to-date technology/computer centers, a beautiful, computerized library, three foreign language rooms, a closed-circuit news room, and multiple offices.

All teachers are licensed in their field by the State of Ohio and all religion teachers are certified by the Archdiocese of Cincinnati to teach religion. A team of five Intervention Specialists support the gifted students as well as those students with special needs in grades PreK-8. Incarnation has a full time nurse, school counselor, and speech teacher.

The arts are important to the growth of children, and in support of this educational aspect, the school has a full time art teacher and music teacher, three physical education teachers, a band teacher, and after school piano classes. The curriculum includes multiple levels of reading, math, and other content areas that support the individual child’s strengths and needs. A PreK-8 foreign language Pre-Kindergarten through sixth grade Spanish, French and German classes.

The extracurricular programs enhance the academics with mission and service projects throughout the year, CYO sports, boy and girl scouts, chess club, inter-generational book clubs, writing club, and drama club. In addition, the junior high offers an Optimist’s service club, a Merit Society, a Students-Recycling Club, and a Computer Club. Incarnation School is well-respected by the public and private high schools in our area, and twelve of our eighth grade students won scholarships to local and distant private high schools. More than seventy teachers and staff are dedicated to the care and safety of our children.

Mission Statement: Incarnation Parish School provides a spiritually and academically rich environment in which all are encouraged to grow in faith as they follow in the footsteps of Jesus.

Advent and Christmas Season

Advent is a time given to us to take a fresh look at how we experience the light of Christ coming into our everyday existence. Incarnation prayer and Reconciliation services are available for that purpose.

Anniversaries

The parish recognizes in a special way those couples celebrating their 25th or 50th Wedding Anniversaries. At a Sunday liturgy, couples renew their vows and receive a special blessing.

Lent and Easter Season

During Lent, we follow Jesus' journey from death to resurrection and take our own journey to leave behind our "old self" and put on a "new self" responding more faithfully to God's call. The tradition of prayer, fasting and almsgiving during Lent is emphasized in Evening Prayer, Stations of the Cross and evenings with inspirational speakers. The Triduum recalls Christ's agony, death and resurrection and calls us to reflect on our struggles and God's part in them. Easter Season lasts 50 days and celebrates our new life in the resurrected Christ.

We all appreciate the comforting things in life... a warm bed, great food, a beautiful garden, a crackling fireplace. At St. Leonard our residents enjoy all of those wonderful things, but it's the friendships and sense of community here that make St. Leonard home. We share stories, laughter, smiles, and faith – the good things in life.

At St. Leonard you have everything you need... and everything you love.
