

Sweet
treats
for reading

Incarnation
Catholic School

"A National Blue Ribbon School of Excellence"

Summer Reading Program

Don't miss
out on the
ice cream
truck!

Incarnation School is excited to share our new Summer Reading Program!

Students: Every time you read for 20 minutes this summer, write your initials on the space.
A parent signature is required for each sweet treat milestone.

Then turn in your completed and initialed page to your homeroom teacher by August 21st.

An ice cream truck will come to visit our school (*date to be announced*) and this page will serve as your ticket.

Following in the footsteps of Jesus...

This is an honor-based system in which parents and students attest they have read the amount of time initialed on the paper. Let's achieve each goal honestly!

The path starts at a yellow circle labeled "START" with the text "Student initials for each line" and "20 Min." below it. The path consists of several yellow segments, each labeled "20 Min." with a line for initials. Milestones are marked with colored boxes: a blue box labeled "\$2 Ice Cream Treat!", a purple box labeled "Upgrade to \$3 Ice Cream Treat!", and a red box labeled "Upgrade to \$4 Ice Cream Treat!". The path ends at a yellow circle labeled "END".
